

CE DECLARATION OF CONFORMITY

The undersigned representing the following supplier:

Elpress AB
P.O. Box 186
SE-872 24 Kramfors
Sweden

Herewith declare under our sole responsibility that the following electrical terminals:

**KA1519SR, KA2519SR, KA4630SR, KA2532R, KA2543R, KA2565R,
KA2585R, KA4643R, KA4653R, KA4665R, KA4685R, KA4610R**

Conforms to the European Committee directives that define the essential requirements that products must meet when they are placed on the market. CE Marking on a product is a manufacturer's declaration that the product complies with the essential European directives, such as safety, health and environmental protection. The insulated terminal is in conformity with the directive below when used in accordance with the instructions contained in the product documentation:

2006/95/EC Low voltage directive (LVD)

The standards references below have been applied:

Swedish standard Crimping - Electrical connections with limited tensile strength for
SEN 245010 copper conductors - General and testing

British standard Specification for performance of mechanical and compression
BS4579 joints in electric cable and wire connectors

Elpress efforts for good quality and low influence on the environment have given a certification within the quality standard **ISO 9001** and the environmental management standard **ISO 14001**. Elpress follow the **RoHS directive 2011/65/EU**, also called RoHS-2, of the European Parliament and Council which restricts the use of certain hazardous substances in electrical equipment.

The products are **since December 1996 provided with CE-marking** according to directions above.

Elpress AB declares under sole responsibility that products covered by the directives are consistent with applicable directives under the condition that products are handled in accordance with instructions and specifications set forth by Elpress AB.
