LED TUBE T8 EM

Energieeffizienzklasse A,
210 lm/W, 50 000 h, 4 000 K

A man with a beard, wearing a white t-shirt and dark trousers, is sitting on a silver step ladder. He is looking towards the camera with a slight smile. The room has white walls and a white ceiling. A long, thin LED tube light is mounted on the ceiling, extending diagonally from the top left towards the right. The light is on, casting a bright glow. In the background, there is a small window with a white frame and a radiator on the wall.

Praktisch Effizienz auf ganzer Länge.
